

The cover features a stylized illustration of a young boy with dark hair and a large nose, looking upwards with a thoughtful expression. A crow is perched on his shoulder, holding a wooden box tied with white string. The background is a vibrant sunset over the ocean, with a large sun low on the horizon. The title 'La balade de Yaya' is written in a large, white, bubbly font at the top, and 'INTÉGRALE 4-6' is centered below it. The authors' names are at the bottom.
